

MOBILE SPA PARTIES

Why would you spend an enormous amount of money to go to the day spa with friends where you will probably be separated for your treatments once you get there, and have to maintain the quiet surrounding?

You and your friends can treat yourselves to a day of pampering and relaxation anywhere you choose. We will bring the spa experience right in your door step. Even better, you can mingle, laugh and sip herbal teas, champagne, wine or try our signature *Spatinis* as you get pampered. Light snacks will seal the deal!

We all deserve to be pampered

WHO DO WE CATER TO?

Individuals, couples and groups!

No request is too small or too big

We cater to individuals, couples, small intimate groups (3-5) and larger groups up to 9 or more for evening and week-end parties and events.

Friendly bilingual service to the Ottawa-Gatineau region

WHAT ARE THE OPTIONS?

You have lots of options!

You can choose from "*Off the Menu*" for smaller groups, "*Stations by the Hour*" for mid-sized groups, or even "*Spa Shooters*" for larger groups.

Off the Menu: Guests choose from any of our services. Ideal for smaller groups, your guests simply review our list of services and choose the service they would like best. You advise us of the service choices and arrangements are made from there.

Stations by the Hour: Spa Stations can be set up to accommodate one or all of the following types of services: manicures, pedicures, mini-facials, massage therapy and make-up. Guests are free to visit the station of their choice.

Spa Shooters: Technicians circulate throughout the event (or setup a "spa bar") to offer mini hand, foot, or neck and shoulder massage. This is an easy and affordable option for very large groups.
